

Somerset Fundraisers Group

The main purpose of the group is for those in Somerset with a genuine interest in funding for the voluntary and community sector (VCS) to network with other fundraisers and to share information.

Membership will give you a chance to meet, network and exchange ideas with other likeminded people, who are fundraising in Somerset. You will receive information and reminders about, and minutes of, quarterly meetings. You will also be consulted with, from time to time, on a range of issues concerning fundraising in Somerset and have use of the Trusts and Grant Finder Handbook 2008, held at the Vista offices.

Other fundraising resources can be found at: www.vistaproject.org.uk
Just click on the Fundraising link on the home page.

News of courses and events scheduled to run and details of planned quarterly meetings can all be found through these pages. We always welcome ideas and feedback from members, particularly regarding content for the quarterly meetings.
